**PASTOR’S COLUMN**

**REV. DR. ROBERT COOK** *Interim Pastor*

As I write this it is -1°F outside. I’m grateful for a warm home and cars that start up the first time and a lot of other things. But there are still two months of winter ahead—including the entire month of February. So, what is there to love about February? I’ve had to do some thinking. Think along with me.

God made all of the seasons. Each one has its own good and peculiar characteristics. If we begin with gratitude for each season and look for things that are good and beautiful right in the moment, that is the beginning of appreciation for the season as well as for deepening our walk with God in each season.

February, though the shortest of months (if only by a few days), has some unique features all its own. It begins with Groundhog Day (2/2), Nutella Day (2/5), Valentine’s Day (2/14), President’s Day (2/17 this year), and often (though not this year) with Ash Wednesday and the season of Lent. I forgot to mention that Feb 9th is National Pizza Day! Every four years we get an extra day in Leap year—but you’ll have to wait until 2028 for that. And who doesn’t like Nutella Day?

It is often cold and snowy in our climate region, but there is a great beauty to the landscape, which often in winter is gray and dull. A walk in the woods is something I especially enjoy in February.

#### Meeting held January 14, 2025

**In Attendance:** Candace Rutherford, Brian Rice, Polly Coulter, Debra Miller, JoAnne Lewis, Mary Ann Ackerman

**Absent:** Scott Peterson, Ginny Vallillo, Debbie Wine, Pastor Bob Cook

#### Items Discussed

#### 2025 Budget Planning

The committee met to review and plan the Mission budget for 2025. The committee has \$21,000 for this year. Each account and designated fund were reviewed and amounts of money determined. Some new missions were added and some were removed from the budget.

New missions/ministries added under account code 055305 Miscellaneous Mission (GF Giving) include Pregnancy Ministries and Maranatha Ministry.

Missions/ministries removed from the Mission budget include Young Life of Franklin County and Angel Tree which was moved to Christian Education committee.

Candace will give all of the current budget numbers to Bonnie Speaks.

The committee also reviewed the Outreach and Special events budgets which had already been approved. That total budget was \$4400 which included Old Home Week.

#### Old Business:

Disasters – National – encourage donations through Presbyterian Disaster Relief

Local – Members/Friends of the church or those with a Greencastle address - \$500 donation will be provided through the Transient/Emergency fund that falls within the Mission Budget.

JoAnne will seek information on \$2000 that was donated to MASF.

Brian will purchase a \$500 gift card from Weiss for the family with the recent home loss due to fire. The gift card will be given to the Mayor or the Fire Chief for delivery.

Funds to cover new tires for a person in need were approved. Pastor Bob will complete the purchase order and deliver those funds.

#### New Business:

Laurel Mission trip presentation will be held Feb 16 during worship. Polly will be the presenter. Mary Ann will let Sue Miller know to add that to the worship bulletin.

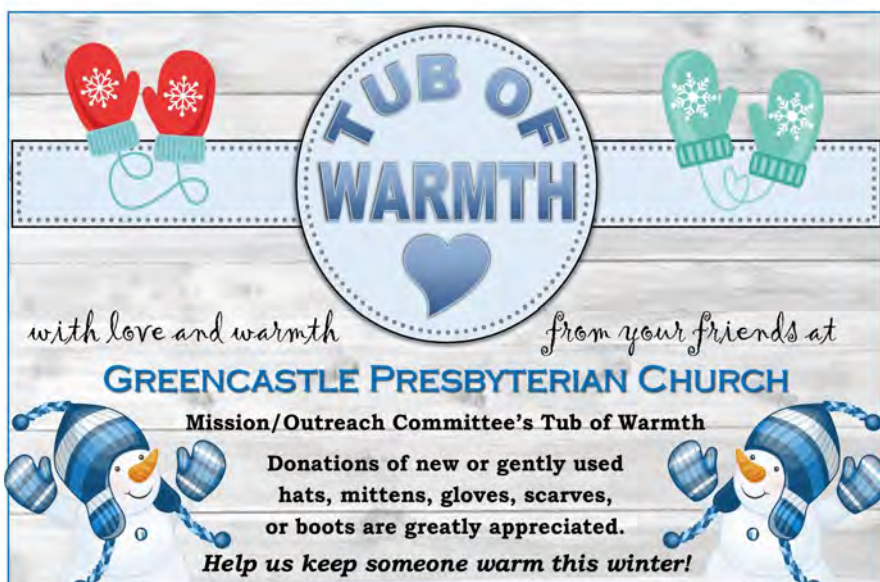

Tub of Warmth is overflowing with wonderful donations, even some that are handmade! Debra has placed a tub at the library. Polly and Candace will hand out items during food pantry hours on Wednesday mornings and Thursday evenings.

MASF review process for applications is April 1-May 15. Applications are online and Bonnie will be asked to provide the amount of dollars available. The high school guidance counselor will be notified that our application is available for completion.

Polly Coulter has volunteered to become the new Chair of the Mission/Outreach committee after Candace asked to step down from this position last month. Thank you, Polly!

## WORSHIP

**ANNE LAREW, CAROLE MALIN** *Co-Moderators*

Warm winter thoughts to all of you. Our committee met on January 7th to take down the Christmas decorations in the sanctuary and to discuss our Christmas Eve services. We all thought that overall, things went very well. We had 50 people at our family service at 4:30 pm. The children were enthusiastic about participating in our activities, and a little holiday chaos ensued, not unlike Christmas morning at most houses! The service lasted 45 minutes, which was our goal, and the candlelight ending seemed to bless all who were there. We have a few tweaks to make, but we agreed to try and build on our success in 2025. Our traditional service with a musical prelude was attended by 155 individuals. The service went extremely well, and lasted 50 minutes. Having six communion servers helped us along. The music was beautiful. A special thank you to Barry Leap for agreeing to play the organ on this very special night. We have a few adjustments to make in 2025, but our hospitality at the front and rear doors was excellent. Thank you to Jeff Stouffer, Emily Jones, Dee Patton, Carole Malin, and Brian Rice for welcoming our guests.

This month we will begin planning for the Lenten season, with Ash Wednesday on March 5 this year. Our Maundy Thursday service on April 17th will be a joint worship with our friends at Grace UCC church. Palm Sunday and Easter Sunday fall on April 13 and 20 respectively, later than usual.

A special worship service is being planned for the first Sunday of Old Home week on August 3. It will focus on the evolution of music in worship over the years. The session has voted to delay communion in August to August 10.

To God be the glory!

## NOMINATING COMMITTEE

**ANNE LAREW** *Moderator*

Mother Nature postponed our Special Called Congregational Meeting, as we had to cancel worship on January 19th. The session has approved a new date, February 9th, in order to follow the directive in our church bylaws on when to announce a SCCM. The slate remains the same, only the date has changed. The committee will soon begin discerning who shall be asked to fill vacancies on Session, the Board of Deacons and the Nominating Committee. Please begin praying about whether you are being called by God to serve our church in any of these roles.

## TECHNOLOGY

Do you have trouble hearing everything that is going on during our worship services while you are worshipping on Sundays in the Sanctuary? Maybe you don't find the headphones that are available helpful for a variety of reasons. If you'd still like to communally worship in the Sanctuary and know what is going on, well, the Technology Team have a new helpful aid.

We have a new solution to offer you. Bring your tablet or smart mobile phone to worship and you'll now be able to read on the screen of your device what is being said as a result of a captioning service that's recently been activated. This service was tested during our December worship services and individuals found it helpful. GPC is now using CaptionKit for captioning services during our worship services in the Sanctuary.

Have questions? It's best to see Jim Papa and he will be able to help you navigate this new service with your tablet or phone.

If you have friends with hearing impairments and know they would appreciate worshipping communally with our church family, please invite them to visit with us and try out this new service.

*PASTOR'S COLUMN CONTINUED*

Of course—one dresses warm. But we all have enough winter outdoor clothes filling our closets. To see the snow glisten like diamonds is a beautiful sight. And when is the last time you helped your children or grandchildren make a snowman? One good thing to love about a February Walk in the woods is that the ticks are dormant!

February offers more indoor time. Binge watching TV is not such a great thing. However, many people do crafts, woodworking, whittling and other hobbies. These give us space to think deeply about our families, situations, our own soul and innumerable ways to do that inner work God is calling us to do.

February is also a time to think about what to plant in our gardens in the Spring. There is a great deal of joyful anticipation in browsing through a seed catalog with all those enticing pictures of what is to come in June, July and August. Whether you plan out a simple 8'x8' plot or a 30'x60' garden, seed catalogues give you hope! This year's garden will be the best ever! (If you don't garden but have even just a little space, this is a year to plan for it. It brings great rewards. But just one zucchini plant, please.)

February offers time to explore our history. If we don't learn from our history we are doomed to repeat it. We tend to spend much of our time trying to anticipate the future rather than remembering the past. With Black History Month and Presidents' Day, February is a time for us all to take a step back and reflect on our history as a country. Try exploring a President you have always admired or knew nothing about. Discover a new Black historical figure that transformed our world. If you have children, you can make these fun family projects this month to share together. GPC has the honor of being the spiritual home of the Rev. Dr. Matthew Anderson (1848-1928) You can go online to the local Allison-Antrim Museum to learn about him. Also, his older brother Moses began an organization that became the NAACP.

Better yet, plan a visit to the museum.

Within driving distance are many museums and galleries. The Pennsylvania State Museum is just an hour away in Harrisburg. The Washington County Museum, Maryland is less than 20 minutes away from Greencastle. The Walters Gallery in Baltimore is an easy day trip. These places will add to your mind and give you a deep appreciation of the history or beauty of our region.

As you deepen your knowledge and gain new experiences and insights, gather a group of friends and do a Bible study group together. Mornings, afternoons or evenings, there is space at the church building. If you prefer, an online group can readily be assembled with a modest amount of computer skill and free programs that will host your meeting online for free. That little computer can be a forum to learn about the history of the Christian Church, learn more about a book of the Bible, learn more about the types of prayer that will grow your soul.

Plan a day or several days of service. I highly recommend that you volunteer at the Cold Weather Shelter in Chambersburg. The Shelter is always in need of volunteers to do about a 3-hour shift, or prepare a meal for 25 people. Get to know these folks who have been homeless and be the hands of Jesus to them.

We can spend our February complaining about the weather or binge watch something on Netflix. But how does that grow your mind and soul? Embrace the season. Enjoy dressing for it. Celebrate those you love on Valentine's Day with a meal you learned to prepare. Go to Mount Vernon and walk where George Washington walked (it is an easy drive, too). Walk with the Lord as you deepen your prayer life and learn more from your study of scripture. Just don't be a couch potato.

And don't succumb to a bad case of the Februaries where you waste the month thinking of July. Don't waste your life on things you cannot change. Instead, embrace this time in your life and look for ways that February becomes a beautiful month where each day becomes a blessing.

-Pastor Bob Cook

## GPC Deacons:

## Where service meets purpose

<p><b>Deacon Deliberations</b> for February</p> 	Minister to the needs of the congregation and those in need.	Deepen the spirituality and outreach of the church.	Inspire, inform, instruct, guide and bond our church family with God's love.
Serve with compassion.	(1 John 4:16) And so we know and rely on the love God has for us. God is love. Whoever lives in love lives in God, and God in them.	(John 13:34-35) <b>34</b> A new command I give you: Love one another. As I have loved you, so you must love one another. <b>35</b> By this everyone will know that you are my disciples, if you love one another.	(Ephesians 4:2-3) <b>2</b> Be completely humble and gentle; be patient, bearing one another in love. <b>3</b> Make every effort to keep the unity of the Spirit through the bond of peace.
Service through witness and connection with others.	(Colossians 3:14) And above all these put on love, which binds everything together in perfect harmony.	Romans 13:8. Owe no one anything, except to love each other, for the one who loves another has fulfilled the law.	(1 Corinthians 13:13). So now faith, hope, and love abide, these three; but the greatest of these is love.
Share in the redeeming love of Jesus Christ.	(Galatians 5:22) But the fruit of the Spirit is love, joy, peace, patience, kindness, goodness, faithfulness, gentleness, self-control; against such things there is no law.	(1 Peter 4:8) Above all, love each other deeply, because love covers over a multitude of sins.	(1 Corinthians 16:14) Let all that you do be done in love.

We prayerfully reflect on these highlights from the past month:

1. Connecting with those in our care cells by word, cards and deeds.
2. Diligence of our prayer ministry
3. Our Lord's leading in our PNC's process as their next steps are taken

We look forward to these upcoming events:

1. Communion dates approved by Session for 2025
2. February love gifts
3. Valentine Card Making Potluck
