

Greencastle Presbyterian Church (GPC) is a welcoming, transformational congregation with a nearly 300-year history of serving God both inside and outside our church walls. Located in downtown Greencastle, PA, GPC averages 86 attendees in weekly worship and ranges between 101–250 total members. We are known for our generous, mission-driven spirit—hosting local food bank services, running an annual children's summer day camp, hosting community support groups (AA, Dementia Caregiver support), and engaging in regional mission trips. **We are currently seeking a lead Pastor for a full-time position. Please email pncatgpc@gmail.com if you are interested in applying!**
